Forecast For East of England
Issued by Met Office Exeter
at 0400 on Sunday 31 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Heavy rain this morning, brighter and showery later.

Today:
A band of occasionally heavy and squally rain moving eastwards this morning, with strong winds and coastal gales likely. This clearing to sunnier conditions through the afternoon with the risk of an isolated sharp shower in the west. Remaining windy. Maximum temperature 14 deg C (57 deg F).

Tonight:
Mostly dry with clear spells, perhaps the odd shower possible in western areas. Staying windy overnight with coastal gales possible again in the north of the region. Minimum temperature 6 deg C (43 deg F).

Monday:
Monday bright and breezy with sunny spells and the risk of an isolated shower later. Starting to feel slightly cooler. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Mostly dry with sunny spells Tuesday and lighter winds, chance of a shower later. Wednesday and Thursday blustery showers, especially on coasts, with some brighter spells. Feeling colder.
